I would like to request your assistance to make sure the 2011 Year End Report for Buck for Colorado is not recorded with a late-filing date. It is now listed in the FEC reports listing as having been filed February 10, 2012. It, of course, was due January 31, 2012.

I mailed two USPS Priority Mail flat-rate boxes containing the original 2011 Year End report, along with several amendments to earlier FEC reports, on Friday January 27, 2012, to the P.O. Box address in Alexandria, VA. Attached are the tracking reports for both boxes. One was delivered to the new Washington P.O. box Feb. 2, the other was not delivered until Feb. 9, 2012.

Two of the amendments show up now on the FEC reports list for Buck for Colorado as filed 1/27/12. The rest of the amendments, and the original 2011 Year End report are now listed with the FEC, but with a filing date of 2/10/12. They were shipped at the same time, 1/27/12, via USPS Priority Mail with tracking and delivery confirmation. I believe they should all be recorded as filed 1/27/12, the same as the first box that was delivered.

I would greatly appreciate your assistance in making this correction in the FEC filing dates. Let me know if you need further information or documentation. Thanks.

Cheryl Klein
